

Jefferson/Marshall Weekly Project Update
8/6/2020

Highlights from this past week:

- Contractor continued sanitary sewer/water installation from Jefferson to West Lincoln.

Upcoming work:

- The contractor will continue working on watermain installation next week down West Lincoln and moving east toward East Lincoln, including the installation of temporary water to homes in and south of the project area. The contractor will be in touch with residents in advance of any temporary disruptions in water service. Contractor continues to work on W Lincoln and Marshall Rd water and sewer main.
- The patch along West Fourth St is tentatively scheduled to be paved the end of next week. Traffic control/detour signs will be in place.
- Grading crews will likely be onsite starting the week of August 17 beginning with the Jefferson/West Lincoln area.

Reminders:

- Residents can access driveways each morning and evening. Access to driveways will be intermittent throughout the contractor's workday depending on where the contractor is working. Residents are encouraged to park on E or W Lincoln or along W Fourth Street during the day.
- There should be no on-street parking on Jefferson/Marshall during the workday at this time.
